## Counter Mounted Bearing Plate Kit

Square or Round Plates

SKU

Product Name

39978	Foremont Bearing Plate Kit
39974	Round Bearing Plate Kit
39976	Square Bearing Plate Kit

### Kit Includes:

#### Foremont Kit

- 2 - 4" x 4" Plates
- 2 - 1/4" x 2" Stainless Steel Bolts
- 2 - lock nuts

Brown, durable storage tool bag

#### Round & Square Kit

- 2 - 3" Round Plates or 3" x 3" Square Plates
- 2 - 3/8" x 3" Stainless Steel Bolts
- 2 - lock nuts

Brown, durable storage tool bag

### Kit Usage:

These plate kits are for use with Federal Brace's line of counter mounted supports. The bearing plates help keep the mounts firmly attached while providing a wider area of weight disbursement.

### About our Kits:

Nobody knows our line of supports and brackets like we do. That's why we make it easier on you. Instead of having to gather all the bolts, lock nuts and adhesives at your local hardware store you can order one of our kits along with your brackets to ensure you're ready to go!
